HUGO'S MISSION

At Hugo's Invitados, we believe that good food and good people go hand-in-hand, and it's our mission to make each guest feel like family, and every meal worth celebrating.

We serve all-natural, house-made, good-for-you cuisine influenced by centuries of Mexican traditions and inspired by our guests. Our menu is almost completely organic and gluten-free, and can be made to fit any dietary needs. Please don't hesitate to ask.

'Invitados' means you're our invited guest. As the saying goes, mi casa es su casa. We're glad you've chosen to dine with us today.

Great food that's good for the body. Great service that's good for the soul. Great experiences worth celebrating.

That's Hugo's Invitados.

Here, you are family.

Gluten-free Items & Allergies: our menu is mostly gluten-free. As cross-contamination can occur, please let us know so we can fully accommodate any allergies or dietary preferences.
